January Meeting

Program: Repotting Seminar

Wednesday, January 11, 2017

Immanuel United Church of Christ

2300 Taylorsville Road

6:30 pm, Social hour, 7:00 pm Meeting

From the President

Good Afternoon All!

Thank you for the great turnout at our Christmas dinner. And a big thank you to David Easley and his crew, Robert, Lucy and Chris, for another delicious well-done dinner. Thanks to Dr. Seligson and Dr. Easley for the wonderful orchid centerpieces they provided for the tables. And, thanks to each of you who brought some yummy dishes for our buffet. We always have a wonderful meal together.

I want to once again congratulate our winners of the KOS year-end awards. Mrs. Carla Cates is our winner for the Clara Fanelli Award for standard orchids. Carla has grown some beautiful orchids over the past years and has shared them at our Show and Tell table. Ms. Ruth Schneider is our winner for the Henrietta and Wilbur Japs Award for her outstanding service to the Society. She has really stepped up and pursued a wide variety of interesting programs this past year. Thank you Ruth. And this year, for the first time ever, the Jim Topmiller Traveling Trophy for miniature orchids was a five way tie. The winners were Mrs. Danetta and Mr. Rick Willias, Mrs. Jan Smith, Mr. Dick Humke, Mrs. Pam LaRocco, and Mrs. Gloria Teague.

I'm looking forward to seeing you all in January!

Gloria Teague

From the Vice President

Our program for January will be a hands on repotting seminar. Please bring 2 plants that need repotting, media, gloves, clean pots, aprons, and whatever else you will need. We will set up tarps and tables and get a little dirty! I'm looking forward to seeing everyone on January 11th.

Ruth Schneider
